SUBJECT: Civilian Damage in Ha Noi and Hai Phong (U)

TO:

25X1A

Director

Central Intelligence Agency Washington, D. C. 20505

ATTN:

25X1A

1. (C) This is in response to an oral request from your action officer on 25 May 1967 for information on damage to civilian

structures in Ha Noi and Hai Phong as a result of air strikes since 1 April 1967.

2. (C) The attached summary contains strike and photo reconnaissance data, an analysis of damage to the targets and adjacent areas, and an assessment of types of civilian structures damaged. All conclusions are based on bomb damage analysis from post strike photography.

FOR THE DIRECTOR:

GROVER C. BROWN Major General, USAF Assistant Director for Intelligence Production

1 Enclosure Summary of Civilian Damage in Ha Noi & Hai Phong Since 1 Apr 67, (U), (S), 1 cy

DIA review(s) completed.
